CREATING INTELLECTUAL

Kshatriyas

4th WORLD HINDU YOUTH CONFERENCE 2022 with the theme "Creating Intellectual Kshatriyas" will be organised by Hindu Students and Youth Network (HSYN) from Tuesday 27th to Thursday 29th December, 2022. It will be held at Keshav Srushti, Uttan, Bhayandar, Mumbai - 401106.

The conference aims to prepare the Hindu youth aged between 15 to 35 years to better rise up to the challenges of the 21st century. The Conference encourages all Hindu Youth and Students' organisations across the world to encourage their members to register and attend the conference.

WHY CREATING INTELLECTUAL KSHATRIYAS?

Young Hindus are an integral part of the Hindu resurgence. The energy and enthusiasm in this age group is dynamic and works to create positive movements towards a more capable Hindu global community. Our world has changed, and our dominance needs to move from forts to firewalls, from physical to intellectual strength.

The conference aims to focus on the paradox of the growing economic might and cultural values of Hindu youth despite the prejudices, baseless propaganda and the political ideologies that thwart the Hindu viewpoint in today's times.

As the theme suggests the conference is aimed at strategically aligning the regional, national and international Hindu Youth across the globe to work on capacity building, through enhanced awareness in the field of economy, education, media, human rights and policy making.

ABOUT US

Hindu Students & Youth Network aims to serve as a catalyst to initiate synchronized action and effective networking for all Hindu Students and Youth organizations that are currently active in their countries/states to share their experiences and learnings to connect and support each other.

It is a platform for Hindu youth, by the youth to build leadership capabilities in young people enabling them to reach their full potential in multi-disciplinary areas. It aims to provide an opportunity to be inspired by young achievers, activists, leaders, academicians and thought leaders. It offers peer to peer learning, inspiration and motivation. Being led by and learning from peers is shown to encourage students and youth to strategically work for the Hindu resurgence creating next generation of capable Hindus.
